

[ubiquus]

Professional documents in 70 languages

Fast, accurate and reliable translation
for seamless communication.

Expertise in finance, law, medicine & marketing

Our translators are experts in these fields, supported by excellent project managers and a range of technical specialists, all teaming up to provide the best translation in your required format and language.

Ready to start the work straight away

When we send you a quote, it means we have secured availability from a translator. So as soon as you confirm, we are good to go.

Why choose Ubiquus?

› **Your translations read like original copy**

We only use qualified, professional translators who are native speakers of the target language

› **Your text speaks to your target market in the way you intended**

We specialise in more than 70 languages and work with locally based, in-country translators

› **We save you time and money**

We offer flexibility and fast turnaround, getting it right first time

› **We value confidentiality as you do**

Every member of staff signs confidentiality agreements and we guarantee data security
